

Farm-to-Table Experience

The Farm-to-Table Experience at Mount Hope celebrates Lancaster County's agricultural history. As you know, Lancaster County is known for farm-fresh food and the Manheim area is filled with vast farmland and lush crops. Let us guide your group on a journey of delicious food from the farm....to the table.

Groups will dine in our beautifully restored, historic barn during this group-exclusive experience. The hearty menu will change seasonally to bring the finest and freshest items available, sourced as locally as possible. Taste the flavors of the season!

Our beloved and fun-hearted actors (that our groups just love!) will be your hosts as they talk about the history of agriculture in Lancaster County and share information about the sources of the items on the menu.

From the quality of food to the unique atmosphere to our inviting and informational hosts, your groups will truly feel the heart of Lancaster County with this all-new group-exclusive experience.
